Full Itinerary

Our three-hour Brisbane city walking tour takes you on a laneway adventure with a local guide who loves two things: beer and conversation! We'll kick things off with a complimentary welcome brew, then head onward to sample various local labels and participate in ale and cider tastings.

On this Brisbane beer tour, you'll visit Australia's leading boutique brewery, where you can get acquainted with the brewing process as you explore their amazingly tasty craft beer range! You'll learn about the brewers who are revolutionising Australia's beer market, and hear the crazy-but-true tale of the convict-turned-beermaker who put Australia on its path to craft beer awesomeness. Plus, you'll get priority entry into all the venues (as well as a few giveaways!) as you visit Brisbane's best bars and watering holes. These are the places few visitors find on their own, just pure local favourites! (That means no Foster's.)

Along your Brisbane tour, you'll learn about the city's hidden and major sites and historical events, including those covering the 100th anniversary of ANZAC, WWII, and Australia's convict heritage. You'll see the ANZAC memorial to General MacArthur's Command HQ, the convict barracks, and more, and hear scandalous stories of brawls, murder, and incarceration.

Your local Brisbane guide, a savvy, sophisticated steward with a liver of steel, will introduce you to some of Australia's leading craft beers that are revolutionising the market — all while exploring a new and vibrant Brisbane amid the historical laneways of the CBD.
