Full Itinerary

Ever wondered what takes place behind-the-scenes at a city's best restaurants? Or what it's like to enjoy a private show of the latest season's fashions? Or just how bartenders make intoxication so darn tasty?

This Brisbane city tour is all about indulgence! Stroll about Brisbane's central business district laneways (call it the CBD to fit in with the locals), then head to world-class Southbank, where you'll get an insider's introduction to design, style, and what's culinarily hip. Visit chocolatiers, check out leading Australian fashion labels, mix cool cocktails, and behold the best of what's on offer at some of Brisbane's swankiest restaurants. You'll head off the tourist track to visit Brisbane hotspots often only found by word-of-mouth, and meet with those who know the hospitality industry best: bar managers, brewers, and cocktail aficionados.

Along the way, we'll savour the flavours found in a selection of first-class handmade cocoa creations from North Coast, then we'll explore new style hubs in the 'hidden' city centre, dropping by some of the best designer studio stores showcasing Australian chic. (Hint: Aussie fashion is way more than just Uggs.) Then we throw in a sample tasting of our favourite boutique

brew and some to-die-for charcuterie before settling down poolside to a mixology class (and another cocktail, of course).

This Brisbane tour is ideal for visitors and locals alike looking to get a fresh insider's perspective on Australia's fastest up-and-coming social scene and urban space.
