Full Itinerary

Your itinerary will be worked out between yourself and our knowledgeable experts in San Francisco. They're some of the best people to talk to about this extraordinary city - trust us! Your tour doesn't need to be a walking tour, we have access to vehicles and buses if needs be, so the world is your oyster (or at least San Francisco, in this case!). Whatever you are looking to do that is within our [Responsible Travel](#) charter, we can organise it for you.

As local experts, if you have a convention, team building event, company wellness initiative, corporate retreat, alumni and donor travel, or non-profit fundraising, we can offer suggestions, do research, and arrange all the details for your group. We can arrange transportation, hotel rooms, meals, sightseeing tours and, most importantly, knowledgeable local guides. You can tell us what you want and we will put everything together into an exclusive, customised tour for you and your group, with as much or as little as you want.

As soon as we receive your inquiry, either at info@sanfranciscourbanadventures.com or at +1 (281) 216-5837, we will contact you by email, or, for those who leave a US phone number, we will give you a call and begin the process to organise your perfect stay in the City by the Bay.

In order to reserve your adventure, all you need to do is to put down a non-refundable deposit of \$35. Use the booking function on this page to pay this, booking just one passenger in, regardless of how many are coming on the tour itself. We just need one person on the booking, any additional passengers will be figured out with your guide while you set the tour up.

Once your itinerary and quote is all confirmed, we will deduct the \$35 deposit from the final quote. We can arrange all final payments and terms during the planning stages of your private San Francisco tour.

Our local guides are knowledgeable and friendly, providing you with the best local service in town. We recently received TripAdvisor's Certificate of Excellence Award, which shows our unmatched level of customer service. Our guides are eager and willing to help you in all of your San Francisco tour needs, so feel free to put them to the test!
