Full Itinerary

Packed with temples, tombs, palaces, and pagodas, Hue is the gateway to the treasures of Vietnam's royal past and a must-stop on any itinerary. This full day Hue city tour will take in the best of the city, from the art and architecture to the celebrated food and culture.

Start your Hue city tour with a visit to the colourful Dong Ba market, which will energise the senses with its sights, sounds, and smells. This is the ideal place to soak up everyday Vietnamese life, and your local guide will show you to some of the traditional foods and introduce you to the local vendors. Afterward, head out into the streets and wander over to the Citadel. It's within these 2m-thick and 10km-long walls that you'll find several of the city's best sights, from the many ornate pagodas to the Forbidden Purple City.

Explore the best of it all before stopping for a vegetarian lunch in a local pagoda/monastery. Enjoy a traditional meal and grab the chance to chat with the nuns to learn more about Buddhism and gain an insight into their daily lives.

After lunch, our Hue tour continues with a short bus ride through the stunning surrounds, passing rice paddies and small towns, before arriving at a village that specialises in making incense. Learn all about this ancient art before continuing on to one of the impressive emperor's tombs.

Pay a visit to Thien Mu Pagoda, a sprawling temple complex that is perched on a hill overlooking the Perfume River. After admiring its seven tiers, head to Tiger Arena, where duels between elephants and tigers were arranged for the entertainment of the Emperor right up until 1904.

After a day taking in the many sights, end it with a relaxing afternoon cruise along the Perfume River. Take in the magic of this meandering river before ending our Hue tour back in the centre of the city.
