Full Itinerary

The ride leads up Hai Ba Trung just past the pink church to Tan Dinh market. You're not really here to buy souvenirs or clothes, but to experience a genuine suburban Saigon wet market. This is where the local housewives come to do their daily shop and stop for gossip with their neighbours, making it a real "Vietnamese" experience.

Additional information

Confirmation of booking: Confirmation of booking: If you have your voucher, your booking is confirmed. We'll see you at the start point. Get in touch if you have any concerns or require more information via the email address or phone number (business hours only) on your voucher.

Closure of sites: Dress standards are conservative throughout Asia, especially outside major cities. To respect this and for your own comfort, we strongly recommend modest clothing. This means clothing that covers your shoulders and knees. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate.
